RE: ILLEGAL ERECTION OF HIGH STRUCTURES AND REFUSAL TO RENEW EXPIRED AVIATION HEIGHT CLEARANCE CERTIFICATES BY GLOBACOM LIMITED

Please refer to your letter dated September 27, 2021, requesting for a further postponement of the meeting to discuss the above subject-matter, fixed for September 23, 2021, at your instance. You may wish to recall that you had on 25th August, 2021 requested that the meeting, earlier rescheduled, at your instance, from Monday, July 26, 2021 to Thursday, August 26, 2021, be further rescheduled to Thursday, September 23, 2021, to enable your Chief Operating Officer/COO to attend.

It is unfortunate that, despite our concurrence to a further rescheduling of the meeting to the requested date, and so informing you through our letter of 13th September, 2021, you failed to turn up for the meeting. The Director-General of the NCAA had to abort an official assignment in Europe and return to Nigeria, in order to be able to attend the meeting. Globacom only wrote the letter under reference 3 (three) days after, asking that the meeting be rescheduled, without any explanation for the failure of any management staff to show up.

I am directed to inform you that the NCAA is not disposed to granting this latest (fourth) request to reschedule the meeting, particularly as no reason was given for your non-attendance on the last date. In the circumstance, having exhausted all avenues for a resolution of this matter, we are now left without choice but to apply the relevant sanctions, including the dismantling of all your non-compliant masts nationwide. And this shall be without further notice to you.
